- Discussion ensued over the decision to change the last TX site at the last minute. Some members were not happy with the last minute decision, and would like to have this addressed in the By-laws when updated. Also, who should be involved when making this decision.

- Rob raised the question on allowing boaters to be able to bring their own boats to TX's. There was much debate on this issue. Club agreed to continue discussion at next meeting, and Steve was to come up with possible compromise on how the drawings/pairings could work out to satisfy everyone's concerns.

  - 5) TX Director-Jeff
  - 6) Historian-Denis
  - 7) Safety Officer-Glen **\*\*\***This is a new position club members felt was warranted and would like to see added to the officer category**\*\*\***
  
- Jim A. suggested possibly moving the meeting location from the police station to "5 Guys" restaurant. Club decided to continue discussion on this idea at next meeting.
  
- Steve raised idea on re-visiting the way the point system works based on TX participation this year and the way the positions unfolded as a result of non-participation. He gave a hand out to those present for their review and further consideration at the next meeting.
