Virginia fishing license required for Lake Anna. A temporary license is available but you might want to consider getting an annual license as we will fish Lake Anna again in Oct.

Need to start thinking about Lake Anna room reservations for the Oct tournament. Must improve our efforts to stay together enroute to the launch site (and return) to provide mechanical or other assistance that might be required. The lead and rear vehicle should be in contact(walkie-talkie or cellphone).

It was agreed that due to the adverse weather conditions the Potomac tournament probably should have been cancelled for safety reasons. It was suggested we not schedule tournaments until April to improve the chances of more favorable weather conditions.
