Southern Region Report: Alan didn't make it to meeting

Volunteers for May (Dan), June (John), July (Franco), Aug (Alan)

Conservation: Fred reported the details on Maryland DNR "Remove A Snakehead And Win" program to fight the invasive species. He also mentioned about the Choptank Stocking Tournament on May 21st. The anglers will be releasing small bass fry while competing for the tournament.

Membership: Charlie Prue, Kevin Rawlings and Franco Bianca Jr have been voted in as members. Dan will submit their applications to MBFN and BASS when dues are paid. Denis discussed the membership ratios with the club. He stated the club has 9 boaters instead of 10.

Old Business:

Safety: Denis has performed a safety requirement check with club members. He will take pictures of members' boats.

New Business: Steve opened a discussion for rally time concerns on tournament day. The club members are expected to check in prior of the rally time. It is important for members to arrive early so that everyone can rally at the same time. He also reiterated the importance of rallying at the designated location for safety and group unity reasons. Alan and Roger disagreed on the idea stating their long commute to designated location will be out of way for some tournaments. It will increase their gas expense if they have to drive extra miles and it is time consuming. They stated the club should have open policy for rally locations.

Fishing Discussion: None

Tournament: Alan mentioned about getting ramp pass for Sassafras.
