Southern Region Report:

Steve discussed the new tournament proposal for Mr. Bass. He stated MBFN is hoping to increase participation thru a new tournament format since observers will be replaced by non-boaters competitors. This helps increase revenue for the State Team and hopefully will result in more participation.

The new proposal as follows: Each club will send two members (one as boater and one as non-boater). The club will decide the two members that will participate in the tournament. The cost will be \$125.00 for boater and \$75 for non-boater. The four anglers (two boaters and two non-boaters) from winning Mr. Bass tournament will earn four spots in the state team. There are also some proposed changes in the works for the SQT involving an increase in entry fees, paybacks at each event as well as scheduling changes in 2012. More details to follow.
