Steve will update the Web membership table and help Terry with notifications/payments needed.

Unfinished Business:

Marshyhope Team Tourney - Steve promised to send out flyers and reserve the park. Harrison and Jenn showed the donations from Wal-Mart and Eagle One. A LARGE banner was displayed. We agreed to give each angler a bag with a few lures and cleaning supplies at check in, and have a raffle at the awards ceremony for the remaining stuff. The cooler, ice and water bottles can be purchased with funds donated from Wal-Mart. We need to acknowledge donors on our Web site, advertising and at the park. A letter of thanks to each sponsor needs to be drafted.

Safety: Kevin needs Ken's insurance form, and photos of his and Harrison's boats.

New Business: Steve offered to take any fishing clothing to "MD Monograms" for names and logo addition, if we bring them to the next meeting. He will check on the price. He again urged us to check the Web site for links to offers, and to use the MBN 'members only' sponsors page. <http://www.mdbass.com/phpBB3/viewtopic.php?f=3&t=926>. Denis noted the 365 day from date of purchase MD fishing license is now law.
